Greetings!

Delta Sigma Theta Sorority, Inc. was founded on January 13, 1913 by twenty-two undergraduate women who wanted to use their collective strength to promote academic excellence and to provide assistance to persons in need. Delta Sigma Theta Sorority is a private, non-profit organization whose purpose is to provide services and programs to promote human welfare.

We believe that art has an educational and historic value and is considered a valuable contribution to the creation of a diverse world. In an effort to bring the arts to the community, the Arts & Letters Committee has made it a goal to promote individual and community awareness of the various fields of artistic endeavors; to encourage the development of individual and collective skills in the liberal arts and to showcase those who possess talents which contribute to an increased sensitivity to an appreciation of the beauty around us.

Thus it is with great pleasure that we invite you to participate in the:
